B- READING COMPREHENSION (16 Marks)

-Read the following text carefully, then answer the questions below:

16

A dictionary is a big book. It is called a wordbook. It has a big number of words in one or more languages. Words in dictionaries are listed in a special order. A dictionary is very important for all learners. It gives them the different meanings and opposites of a word. Most dictionaries help the learners to pronounce and spell a word correctly. Also, it shows the learners how to use the word by giving them examples in sentences. Dictionaries are found in a form of a book. Nowadays, there are many online dictionaries . Simply, check the meaning of any difficult word by using computers or on mobile phones, laptops, and tablets.

There are different kinds of dictionaries. A general dictionary is helpful when we look for the general meaning of a word. Doctors, scientists and businessmen use special kinds of dictionaries to find information about their jobs. To be a good dictionary user, you should know how to find the words quickly. You must also choose the best dictionary.
