7. The school principal helps students who need in some subjects in our school.
8. Farmers are advised to use chemical on their crops to protect them from insects.

B- Reading Comprehension (16 Marks)

Read the following passage carefully, and then answer the questions below:

16-year-old Pat Tulloch has an unusual hobby. She makes cheese on the family farm in Australia. She began by making yoghurt with her mother when she was little. Then, she started watching her father's workers make cheese. When she was ten, she made some cheese by herself for the first time. '**It** wasn't great,' she says, 'but the workers told me what I was doing wrong and that helped me to slowly get better.'

Pat always needs good milk for her cheese, but she doesn't have to buy it. Her mother and father keep 20 cows on their farm. Pat can just ask them when she needs more. Last year, Pat's neighbour gave her a young cow to keep and look after, but it doesn't **produce** milk to make cheese, yet.

Pat and her family make many types of cheese. Recently, they won a prize for one of them. 'It's been great for helping people find out about us,' says Pat. 'Last month we started selling cheese in New Zealand. People there read about our prize in a food magazine. Soon we're going to do some advertisements, too.'

Pat's next idea is to post some online recipes for cooking with cheese. 'One of my favourites is cheese with eggs for breakfast. It's great! Our cheese is also lovely with pasta – I hope a restaurant might buy some of our recipes one day.' But right now, Pat is still at school. 'Making cheese is fun and winning a prize for it is great, but doing well in my studies matters more for now.'

A) Choose the correct answer from a, b, c and d: (6x2 = 12Marks)

9. What could be the best title for this passage?

- a) A Young Cheese Maker
- b) A milky Cow
- c) Cheese in New Zealand
