**A) Reading Comprehension (16 Marks )**

**Read the following passage carefully, then answer the questions below:**

When you go in your first day at your new school, **remember** that not everyone is as scary as they seem. The first few hours are always hard, but don't be afraid or shy. You will see that most people are nice once you have a chance to talk to them.

Your teachers will introduce you to your new classmates, but make sure you introduce yourself to the students sitting next to you. Looking for something to talk about? People love talking about where you are from and the school you used to go to.

Take time to learn the names of other people. It shows that you are concerned about learning about the other person. Smile at others when they look at you and laugh when they say something funny. It makes you seem friendly.

Your new school can be totally different from the one you came from. So, if you have a question, ask it. The best way to meet new people is by joining in an activity like a sport. If you have a hobby or good at a certain sport or do well in a certain subject show it. People like others with talent. If you have a special talent or skill, let people know about **it**.
