B-Reading Comprehension (16 Marks)

Read the following passage carefully, and then answer the questions below:

16

People all over the world like travelling. They travel to see other countries, modern cities and ancient towns. Also, **they** travel to enjoy beautiful places or to learn about other cultures and different ways of life.

People who live in the village often enjoy going to a big city to visit museums and big shopping malls, things they do not have in their **hometown**. People from the city often like a quiet holiday by the sea or in the mountains because they are tired of the noise of the city and they need to have a rest.

People travel by train, plane, ship or boat and by car. The fastest way of travelling is travelling by plane, but the most comfortable is travelling by ship and the cheapest is travelling by bus or car.

If we travel, we will see and learn many things that we can never see or learn at home. The best way to study geography is to travel and the best way to know people is to meet them at their homes.
