**Read the following passage carefully, then answer the questions below:**

Golden Beach Town is a **wealthy** neighbourhood in South Florida, USA. Many rich and famous people spend the autumn and winter months from October to April there. In the summer, when temperatures get too hot, they leave town. They hire security guards to protect their homes when **they** are away.

All the security did not, however, stop a 19-year-old traveller from entering the villa of a rich businessman last year. It happened on Sunday, the fifteenth of January, just before seven in the evening. The young man managed to get into the villa through a second floor bathroom window and climbed in. He looked around, liked what he saw, and stayed in the house for the next three months. He was never caught, despite the guards, maids and gardeners who were working in the house and on the grounds every day.

While he was staying in the house, the stranger ate everything in the fridge, freezer and cupboard, ran up a \$7.000 telephone bill and wore or sold most of the men's clothes in the closets. When the owner returned at the end of April, he found his uninvited guest fast asleep in his bed-just like a little child! The young man is now a guest in a Florida prison.
